August 15, 2024

All Association Members,

As previously announced, the Association leadership agreed to schedule meetings with American Airlines to discuss the possibility of contract extensions.

After discussions on the schedule for those meetings, it was agreed to update and schedule two days with the company during the week of August 26th.

The discussions over any possible contract extensions between American Airlines and the respective Contract Negotiation Committees are scheduled for August 27th and August 28th at AA HDQ.

The Association will continue to collaborate with the respective Contract Negotiation Committees and will keep the membership informed of any progress as it unfolds.

Fraternally,

Your unified TWU/IAM Association Negotiation Committee
